A smart appearance is expected whilst representing the School. We are proud of our uniform and, whilst it is worn, we expect our students to promote the School in a positive manner.

Please refer to our Student Dress Code information on our website.

We would like to draw parents' attention to the following points regarding uniforms:

- Uniform is non-gendered, students can choose from skirt and trouser uniforms.
- The uniform requirements, including those for shoes, must be rigorously adhered to.
- All items of uniform, including shoes, are compulsory unless stated otherwise.
- Every article must be clearly marked with the student's name.
